

## **Introducing Pinnacle. A Mastermind Group for Founders**

**You have told me it's lonely at the top, and difficult to find other founders like you who understand your founder-specific challenges. I know the importance of finding a safe space to learn and grow. I have created PINNACLE to be that safe space where you can show up whole-heartedly and learn more of what you need to know to be happier, healthier, and more effective in your business and personal life.**

### **Imagine...**

- The impact of tackling your toughest challenges with the support of other successful entrepreneurs in an environment with no excuses and great integrity.
- Monthly group interactions with successful entrepreneurs who are laser-focused on significantly improving their and your business and personal lives.
- Having a like-minded tribe who truly understand you in a way that non-entrepreneurs often just don't get.

**The benefits of having a mastermind group are well-documented as a critical piece of success.**

- Learn tools, strategies, resources from other entrepreneurs.
- Better decisions, insights, planning, and results.
- Safe space for bringing your whole self to a setting where you can be seen and understood.

### **With this group and me, you will:**

- Identify and resolve your conscious and subconscious leadership blocks to success. Resolving a subconscious block guarantees a breakthrough!
- Develop the mental toughness, the resilience of a world-class athlete
- Discover the power of mindset shift and conscious leadership.
- Increase your effectiveness at staying mentally and physically healthy.
- Transform your ability to use and manage your time and energy.

### **Requisites for joining:**

- Impeccably ethical
- Committed to being on time and present
- Successful small-business owners or solo practitioners who have been in business for at least two years.
- Highly motivated to create a high-performance business, greater personal success and make a difference in the world.
- Coachable.
- Accepted into the program after a conversation with me.
